EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert Glatz on Monday July 9, 2007.

The application has been amended as follows: The third line of claim 73 is replaced with "a trigger configured to identify automatically an initiated telephone call for packetized or non-packetized routing wherein the trigger is part of a feature phone and identified by the feature phone and not identified by the router; and". Added "and the feature phone is not an Internet phone" after "protocol network" in the last line of claim 73.

The fourth line of claim 74 is replaced with "a trigger configured to identify automatically an initiated telephone call for packetized or non-packetized routing wherein the trigger is part of a feature phone and identified by the feature phone and not identified by the router; and". Added "and the feature phone is not an Internet phone" after "protocol network" in the last line of claim 74.
